### Customer Information

Company Name.
Address.
Telephone.
Contact Name.
Email.

### Unit Information

Model No(s).
Serial No(s).
Date Purchased.
Purchased From.
Description of Fault.
Extended Warranty Code (If applicable).

Once your unit has been received our technicians will evaluate the repair. If the unit is considered to be covered by our warranty then we will endeavour to return it to you within 10 working days of receipt.

If the unit is considered to be outside of our warranty cover we will provide you with a quote for the repair and return of the unit. Once confirmed and subject to account status we will endeavour to repair and return it to you within 5 working days of authorisation.

If a response is not received from the customer within 2 months of quotation, the unit will be scrapped.
